

第一級海上特殊無線技士「英会話」試験問題

(注) 解答方法： 選択肢の中から最も適切な答えを一つ選び、その番号に対応する答案用紙のマーク欄を黒く塗りつぶしなさい。

**QUESTION 1** Tokyo Maru, this is Port Control. Your berth will be clear at 1800 hours local time. Stand by on Channel 14.

1. I will call you on Channel 18 for further instructions.
2. I will enter the port right now and go straight to my berth.
3. I will stay off the fairway and keep watch on the specified channel.
4. I will leave my berth for my next port of call at 1800 hours local time.

**QUESTION 2** Sendai Maru 2, this is Sendai Maru 1. We want to test the reception of the new VHF transceiver. How do you read me?

1. You have a beautiful voice and I like it.
2. No, I do not have any books to read you.
3. Yes, I can read the instructions of the new VHF transceiver for you.
4. The signal strength is good enough. Your voice is clear and understandable.

**QUESTION 3** I understand your new ship has a smaller engine than before. Do you have enough power to keep up with us?

1. Yes, the price of engine oil has been rising since last month.
2. No problem. The new engine is as powerful as the old one.
3. No problem. The new engine is twice as large as the old one.
4. Yes, we have prepared a dozen long power cables for the lighting.

**QUESTION 4** Osaka Maru, this is the headquarters of ABC Company. We have just heard you have been delayed by severe weather conditions in your area. Can you give us your estimated time of arrival in Tokyo?

1. We estimate we will be 3 hours ahead of schedule.
2. We expect to arrive about 5 hours behind schedule.
3. It depends on the night-time temperature and humidity.
4. We will arrive on time, or maybe slightly earlier than expected.

**QUESTION 5** I am a fishery inspector and need to inspect the size of your catch.

1. Please go ahead. I hope you can be quick.
2. I wish I had a large freezer to hold more fish.
3. I know this is a good fishing area, especially for tuna.
4. I am on the way to another fishing ground. I will leave this area shortly.
