

第一級海上特殊無線技士「英会話」試験問題

(注) 解答方法： 選択肢の中から最も適切な答えを一つ選び、その番号に対応する答案用紙のマーク欄を黒く塗りつぶしなさい。

QUESTION 1 Tokyo Maru, this is Port Control. You are blocking the fairway. Instruction. Don't anchor there. Leave the spot immediately.

1. All right. I will enter the fairway right away.
2. Yes, I will anchor in the fairway immediately.
3. I understand. I will proceed to the assigned anchorage right away.
4. All right. I will stay where I am for an hour to wait for the berth to be cleared.

QUESTION 2 Kushiro Maru, I will start the icebreaker assistance now. There is light ice ahead. I will tow you there. You can proceed to the port from there.

1. Many thanks. I will be fine from there.
2. All right. I will take on more ice at the next port.
3. No. I have ordered one tug. We will meet it near the breakwater.
4. I understand. I will prepare a mooring line for the berth instead of a towline.

QUESTION 3 This is the fishery inspection vessel. You have just entered the fishing zone. Have you already reported the start of fishing operations?

1. No. We are not selling fish here.
2. Yes. We have just sent the report.
3. Yes. We have a large enough catch for the month.
4. All right. What time will you start inspecting our catch?

QUESTION 4 Port City, this is Honshu Maru. No countries we have visited are on the list for epidemic diseases. Do we have to go through a full quarantine check at the port?

1. No, just a radio quarantine is enough.
2. Yes, you can have the full quarantine check.
3. All right. I will take you to the quarantine office.
4. Yes. People in those countries are suffering from the diseases.

QUESTION 5 Yokohama Maru, this is Osaka Maru. I wish to overtake you on your port side. Is that all right for you?

1. Is this a takeover bid?
2. Yes, let's talk it over at breakfast.
3. You should not take more fuel than you need at the bunker.
4. No, a vessel coming the other way is about to pass me on my port side.
